Step 6: Log In to Your Dashboard

Use the credentials received via email to access your Candidate Dashboard. After successfully logging into the dashboard, navigate to the top-right corner and click on **"Change Password"**.

You will need to:

1. Enter the current password (shared in the email)
2. Set a new password of your choice
3. Confirm and save the updated password

✓ Create a password that is easy for you to remember and secure.

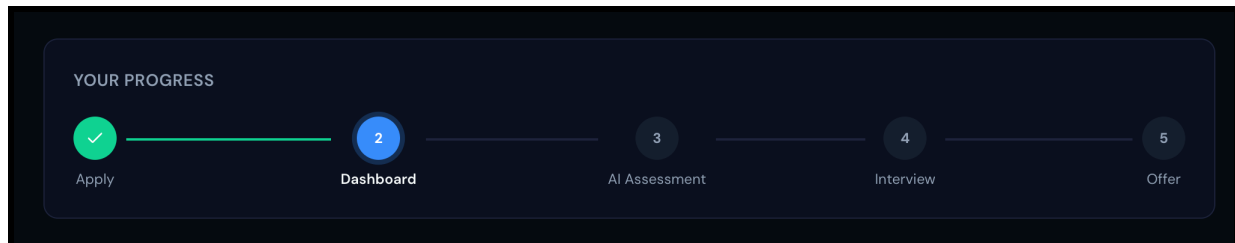

Step 7: Review Your Dashboard Journey

After updating your password, return to the dashboard and review your candidate journey.

Your hiring flow will typically progress through the following stages:

Dashboard Access → AI Assessment → 1:1 Interview → Offer Stage

✓ Completing each stage unlocks the next step in your process.

Step 8: Complete Training Material Reading

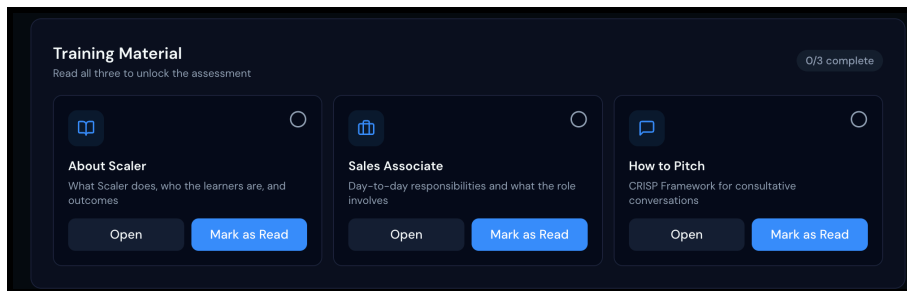

Before proceeding further, you must complete all the required training materials.

You will see **3 training resources** on the dashboard.

For each resource:

1. Click **Open**
2. Read through the complete material
3. Click **Mark as Read**

Repeat this process for all three resources.

Resource 1 → Open → Read → Mark as Read

Resource 2 → Open → Read → Mark as Read

Resource 3 → Open → Read → Mark as Read

✓ Ensure all three resources are read & marked as completed.

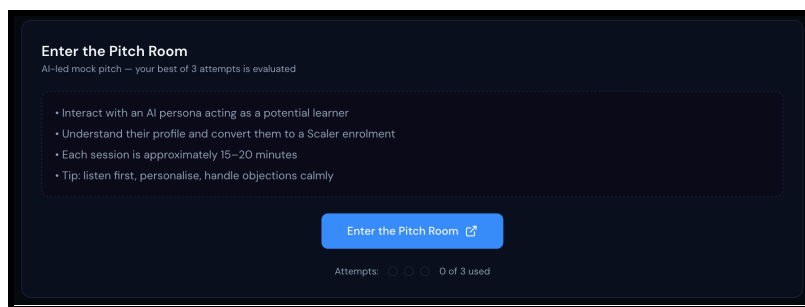

Step 9: Access the Pitch Room

After all training materials are marked as completed, the Pitch Room unlocks automatically. **Enter the Pitch Room** to proceed with the next stage of your dashboard activities.

The Pitch Room remains locked until all required reading activities are completed.

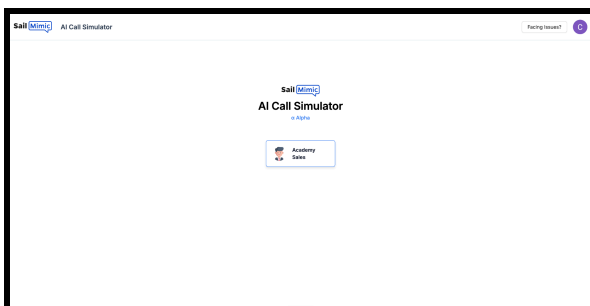

After unlocking:

- Enter the Pitch Room
- ✓ Completion of the training resources is mandatory to unlock this stage.

Step 10: Complete Sail Mimic

- Review the instructions carefully
- **Initiate the interaction with the first AI persona**
- Complete conversations with all 3 AI personas
- You have a total of 3 attempts available

- ✓ Ensure all persona interactions are completed successfully.
